A small green plant with four leaves is growing in a white ceramic pot. The pot sits on a white saucer. The background is a plain white wall.

ABOUT US

With over 40 years of experience, we specialize in building homes and communities that enhance everyday life. **Our developments are thoughtfully designed to solve real needs offering intelligent layouts, quality materials, and modern amenities that make living more convenient, comfortable, and enjoyable.**

We focus on creating places that feel good to live in: well-connected locations, functional spaces, and environments that support wellness, social connection, and long-term value. **Every detail is planned with the resident in mind.**

We also make the journey simple and transparent, with freehold ownership, clear processes, and dedicated assistance from selection to handover. **Whether you're looking for a serene waterfront home or a vibrant urban residence, our projects provide a lifestyle shaped by design excellence and dependable quality.**

Here, you can expect homes that offer more than just a place to live **spaces crafted to improve your everyday experience and stand the test of time.**

AB CAVALIER

A mixed use building in JVC AB Cavalier is an oasis in the city. This 11 storey, 162-unit mid-rise residential condominium in JVC introduces ZNera's well-honed residential design sensibilities to Dubai. The architecture seeks to manipulate notions of interior and exterior space by seamlessly weaving twelve private swimming pools with generously appointed living spaces.
