As well as our world-renowned retail establishments, we create masterful living spaces within five mixed-use communities through the art of placemaking, housing more than 2,500 families across the UAE, Oman, and Lebanon.

A lush garden scene with a winding path, mist, and birds. The path is paved with light-colored stones and curves through a garden filled with green trees and bushes. In the foreground, there are large, dark green bushes with small red flowers. A misty or foggy atmosphere hangs over the garden, particularly around the path and the trees. In the background, there are more trees and a building partially visible. The sky is blue with scattered white clouds. Several birds are flying in the sky, arranged in a pattern that resembles a constellation.
